The Metropolitan Museum of Art is situated in Lenapehoking, homeland of the Lenape diaspora and historically a gathering and trading place for many diverse Native peoples, who continue to live and work on this island.

We respectfully acknowledge and honor all Indigenous communities—past, present, and future—for their ongoing and fundamental relationships to the region.

The Metropolitan Museum of Art is photographing and recording this event. By your presence in Teens Take The Met!, you consent to the use of your photograph, likeness, or voice as part of promotional materials for the Museum.
